Presented William Anthony, Who is Leaving the T. R. Sedd Company.
William Anthony for the past fourtien years an employe of the R. S. Sedd company of this city, has resigned with that concern to enter business with Lewis Wilson, fernerly of the Jordan company. In recognition of his faithful services with the company of the faithful services with the Company. In recognition of his faithful services with the Company of the Society of the Jordan company of the faithful services with the Company of the Compa Mr. Anthony for some time, made a complimentary speech after which T. R. Sadd presented Mr. Anthony a bag of gold, making a very fine presentation speech. Those woh whom Mr. Anthony has been associated for such a long time made very favorable comments upon his work and the good fellowship existing during their business relations.

Flourishing a Knife-Arrested.

About 2.30 o'clock Monday afternoon the police received a complaint from persons living on Jackson street that an intoxicated man was running about an intoxicated man was running about the street frightening people with a knife which he had drawn. Chief E. H. Richmond immediately set out for the street and found Charles French very much under the influence of liquor, and angry because he had been put out of a saloon, frightening some children with his knife. He was put under arrest and taken to the station house. He will appear at this morning's session of the police court.

> The bride gave her maid at bonor a silver mesh bag and her bridesmaid a silver pin. The groom gave the best man and the usher mounted cigar holders. The bride received cifts of

NEW YEAR'S GATHERING. Annual Supper and Roll Call at Con gregational Church.

The annual New Year's gathering at the Congregational church was held Monday evening. A supper was served at 7 o'clock, after which an entertainhe paid.

Frank Thomas, arrested Sunday morning upon the compinint of his sister, Miss Lillian Thomas, entered a plea of not guilty to the charge of intoxication. Miss Thomas stated that her brother lived in the house with her and that he had been drinking for some time. She was afraid that he would kill himself is allowed to go on as he has been in the past.

Officer Enander testified to arresting the man at the house on Elm street, and at that time there were broken dishes about the floor and some of the windows had been broken indication. Binds.

The vestry was very Christmassy with its decorations of red bells, poinsettlas and wreaths. The officers of the Ladies' society served the supper and had charge of the arrangements.

JAPAN PREPARING FOR WORLD ECONOMIC CRISIS

Premier Promises Government's Assistance in Maintaining the Nation's Prosperity.

Tokio, Jan. 1.—Abundant evidence that Japan is making elaborate plans to meet the possibility of a world economic crisis is found in a recent meeting of the chambers of commerce of Japan which gave a reception for the new Terauchi cabinet. Premier Terauchi delivered an address promising the government's assistance to the maintenance of the nation's prosperity. ACHE OF ITS TERRORS. PAIN

At the home of Mrs. A. Swanson, on Monday afternoon, at 2.30, her daughter. The government and commercial interests and the possibility of a wo maintenance of the nation's prosperity. The assemblage was significant as showing the existence of the same of evergreen s gown was as to whether the Washington admin-istration will prepare the post-war period by co-operating with its com-mercial and industrial leaders. Count Terauchi said that at present

Count Terauchi said that at present Japan was enjoying prosperity with an excess of exports over imports. However, it might be very difficult to maintain this favorable commercial situation after the war. In this respect, said the premier, the government was prepared to consider proper measures for maintaining trade properly and to take proper steps to meet the changing situation.

the changing situation.

It was important, the premier said, that the nation should develop the dimestic manufacturing industry by using home products in time of pease as well as war. The government would endeaver to find proper measures and as well as war. The government would endeavor to find proper measures and do what it considers best for the fur-therance of that purpose. The great reed for Japan was that it should supply its own needs in raw materials
